January 2023 newsletter

Dear Parents,

Welcome back to a new term. I hope you all were able to spend time with family and friends over the festive period. I am sure the children are well rested and ready for another busy term. Once again we are welcoming new pupils to our federation in various year groups.

Medication & Illness

In school we do not administer medication for pupils who are ill unless it is on ongoing medical issue such as asthma. If your child has an inhaler in school should come in with the original named box/label to ensure it is for your child. It will then be stored in the classroom and available to your child.

If you have needed to administer medication to bring down a temperature before your child comes into school they should be staying at home to get well.

Sickness and diarrhoea: children must have 48 hours clear of either symptom before returning to school.

Scarlet Fever

As you will have seen recently, Scarlet Fever is still quite prevalent. Please see the link below from the NHS website for signs and symptoms.
