

Our Vision is to ignite imagination and curiosity which builds an enduring passion for life-long learning

World Book Day: 4 March 2021

This year, sadly, we can't all be together on World Book Day for our usual day of shared reading and other fun activities.

However, as we can't all be together on the day, dressed as one of our personal favourite characters from a book, I thought we could all create a portrait instead. Any art medium could be used. For example, any of the mediums you've been experimenting with this term in your Art and Design activities, or paint, collage, ink or even any mixture of these mediums.

When you've completed your art please take a photo and send it in. We'll create a Virtual Portrait Gallery of all the portraits.

(julie.barmby@shepeaustow.lincs.sch.uk) Remember to keep your originals too because when we are all together again in school, you can bring them in and we can create a real Portrait Gallery.

Meanwhile, I hope you are enjoying the stories in the Federation Teams' Story Time Folders, as well as your own reading.

On 4 March there will be additional stories for you to enjoy in a 'Special Edition World Book Day Stories' folder. These will be some of the Staff's favourite short stories that they would like to share with you.

I'd love to hear from you with any recommendations from your 'lockdown' reading. Maybe you could write a short review to recommend the books you've especially enjoyed. If you send in a review I can share them with your friends in the Story Time Folders. (julie.barmby@shepeaustow.lincs.sch.uk)

Here are some other reading activities to get involved with for [World Book Day](#).

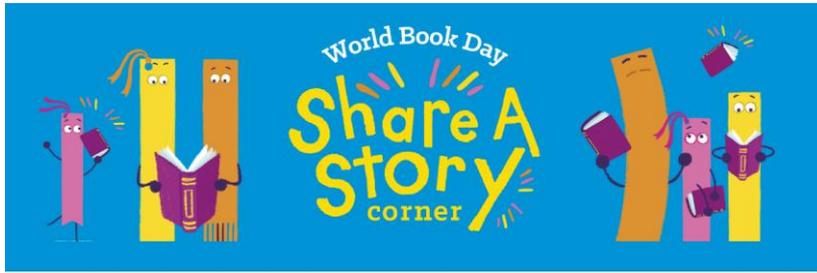

***The Federation does recommend that parents share any on-line live events with their children, and please be aware that not all activities or books in the suggested links are suitable for all ages.**

Here are more great activities to get involved with, you can even personalise your choices!

You can select the type of activity you'd like to do, for example: Colouring, Cooking, Make and Do.

You can select from a range of favourite characters, authors or illustrators.
