

Our Vision is to ignite imagination and curiosity which builds an enduring passion for life-long learning

Maths Week 2021- 6th – 10th December

Dear Parents/Carers,

On **Monday 6th December** 2021, we will be immersing the children in a week of engaging mathematical activities to encourage reasoning and problem-solving skills. As part of this week, we will be relaunching Times Tables Rock Stars.

To start the week with a bang, we would like to invite all children to come to school dressed as a Rockstar or challenge themselves to dress up as their avatar! Puffins and Robins are also invited to take part in the dressing up as their teachers have planned activities to explore numbers and patterns.

TTRS is an online program for all children in Year 2- 6 to practice their times tables knowledge. As part of the program, children are able to earn coins for correctly answering times tables facts. These coins can then be exchanged for clothes and accessories to personalise their own avatar.

We look forward to having a 'ROCKING' day!
